*“We’ve used SuccessFinder for over a decade to make talent decisions. I can’t imagine running my organization without it. It gives key insights into the natural behavior of people and helps them see the kind of work they will thrive in. I believe it has materially impacted our business. I’m a big fan.”*

Gaetan Thomas  
President & CEO, NB Power

*“SuccessFinder has really caught on. People won’t make hiring decisions without the assessment in their hands. The information is relevant, accurate and meaningful; people are blown away by the amount of information they get back and how right it is.”*
